Gentlemen:

Congradulations!

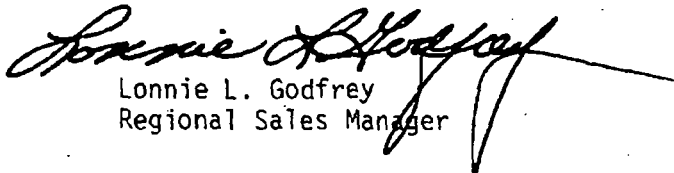

Your transformers have been processed using the finest service offered to industry -- HOT OIL CLEANING AND SLUDGPURGING -- exclusive procedures of TRANSFORMER CONSULTANTS.

The most complete transformer oil test information at this date is enclosed with this letter.

Earlier dated copies (7/82) of the test results for these units are to be replaced by these new copies in order to keep your record current.

We will contact you for retesting within the year.

Very truly yours,

Lonnie L. Godfrey
